# MESSAGE FROM THE PRESIDENT

## WASAGA BEACH CHAMBER OF COMMERCE & TOURISM

It is my sincere pleasure to welcome you to this year's Wasaga Beach Chamber of Commerce & Tourism Business Guide Book.

This guide represents more than a listing of businesses — it tells the story of a community built on hard work, determination, and a genuine commitment to one another. Behind every storefront, office and service is a local entrepreneur who has taken a risk, invested their time and resources, and chosen to build something right here in Wasaga Beach.

As President, I continue to be inspired by the resilience and positivity of our business community. Whether you are a long-standing family business or a new venture just opening your doors, you are part of what makes our town vibrant and welcoming. Your efforts not only strengthen our local economy but also shape the experience of every resident and visitor who comes to enjoy the world's longest freshwater beach.

The Chamber remains committed to advocating for our members, creating meaningful networking opportunities, and fostering partnerships that help businesses grow. In collaboration with the Town of Wasaga Beach, we are working toward a shared vision of a strong, sustainable, and year-round economy that benefits the entire community. When business and municipal leadership work together, we create the foundation for long-term success.

Over the past year, we have seen encouraging growth in membership and engagement. That growth reflects something important—confidence in our future and belief in what we can accomplish together.

I encourage everyone to use this guide, support local, and take the time to discover the incredible range of services and experiences available right here in our own community. Every time you choose local, you are helping a neighbour, supporting a family, and investing in Wasaga Beach.

To our members, thank you for your trust, your participation, and your continued commitment to excellence. Your energy and collaboration are what move us forward.

Together, we will continue building a business community we can all be proud of.

# GREETINGS FROM THE MAYOR

On behalf of Town Council, I am pleased to welcome you to the Wasaga Beach Chamber of Commerce Annual Business Guide.

A strong and vibrant local economy is built on collaboration. The Town of Wasaga Beach and the Chamber of Commerce share a common goal: supporting a thriving, resilient business community. While our roles are distinct, they are complementary. Our relationship is grounded in a shared commitment to the success of local businesses.

With new and reinvigorated leadership at the Chamber, we are already seeing positive momentum and meaningful strides in strengthening collaboration between the Chamber and the Town.

The Chamber plays a vital role as a connector and voice for our business community through programming and partnerships, it aims to help local businesses connect and succeed. The Town, through its policies, planning, provincial advocacy, destination marketing, special events, services, and investments, works to create the conditions that allow that success to take root.

We do our best work when we listen to each other, learn from one another, and work together. Government and business each have an important role to play, and by sharing our perspectives and working as partners, we can build a more vibrant and resilient Wasaga Beach.

I encourage you to use this guide to connect with local businesses, discover opportunities, and support the entrepreneurs and employers who contribute so much to our community.

Sincerely,

Mayor Brian Smith

# WASAGA BEACH ARTISAN AND FARMERS MARKET

## WHERE COMMUNITY COMES TOGETHER

Every Tuesday evening from June 2 to October 6, 2026, the RecPlex parking lot at 1724 Mosley Street transforms into a lively hub of sights, sounds, and flavors as the Wasaga Beach Farmers Market comes to life. Now entering its 11th season, the market has grown into a cornerstone of the community, offering a welcoming space where locals and visitors alike gather to shop, connect, and celebrate the best of Southern Georgian Bay.

The market bursts with color as stalls overflow with fresh, seasonal produce, vibrant flowers, and handmade goods. The scent of freshly baked bread and pastries drifts through the air, mingling with the irresistible aromas of hot, prepared foods ready to enjoy on the spot. Live music adds to the festive atmosphere, providing the perfect soundtrack as you explore the rows of talented vendors.

Since its beginnings in 2015 - then known as the Mainstreet Farmers Market - the Wasaga Beach Farmers Market has been dedicated to supporting local farmers, makers, and artisans. Each week, it offers a unique opportunity to meet the people behind your food and goods, to hear their stories, and to know exactly where your purchases come from. Whether you're filling your basket with crisp vegetables, sampling a sweet treat, or finding that perfect handcrafted gift, every purchase helps sustain the heart of our community.

With its friendly atmosphere, diverse offerings, and commitment to quality, the market is more than a place to shop - it's an experience. It's where neighbors catch up, families spend time together, and visitors discover the warm spirit of Wasaga Beach.

Come be part of the tradition, and help make Tuesday nights in Wasaga Beach something truly special!

## From the Archives

This historic photograph captures an early chapter of the Wasaga Beach Chamber of Commerce, whose inaugural meeting took place on August 22, 1938. By June 1939, the Chamber had established a modest building on the beachfront, serving as a hub for a growing business community. In 1957, the structure was relocated to a more central site behind the Dardenella, near the intersection of 1st Street and Mosley Street, reflecting the town's steady development. A key figure in the Chamber's history was Mrs. Myrtle Lynn, who served as Secretary-Treasurer from 1958 to 1974. As the Chamber's first year-round staff member, Myrtle's dedication and leadership helped lay the foundation for the organization's continued growth and support of local business.

# WASAGA RIVER DRAGONS

The Wasaga River Dragons have established themselves as a premier Junior A hockey organization, recognized for both competitive success on the ice and meaningful impact off it. The River Dragons lineup is unique as it has featured highly skilled players from 8 different countries.

Built on a culture of accountability, development, and winning habits, the River Dragons consistently compete at a high level while advancing players to the next stages of their hockey careers to the College and Pro levels.

Beyond hockey, the organization takes great pride in giving back to the Wasaga Beach community. Through community events, youth engagement, charitable initiatives, and strong local partnerships, the River Dragons strive to be positive role models and ambassadors of the game.

This balanced approach between performance and community involvement has positioned the Wasaga River Dragons as a respected leader in Junior hockey and a valued part of the community. Check out the River Dragons Tuesday nights 7:00pm at the Wasaga Stars Arena.

## Home away from home

One of the hardest things we ever did as parents was send our 17-year-old son away from home to play hockey. He left to live with families we had never met, trusting strangers to guide him, support him, and care for him terrifying and hopeful.

Thankfully, we were incredibly fortunate. In his 4 years he was away, our son was welcomed into homes filled with kindness, patience, and generosity. Those families didn't just give him a place to sleep - they gave him a place to belong. They became bonus parents, brothers, and sisters who helped shape the young man he is today. Their impact on his life will always be part of our family's story.

Because of that experience, we knew one day we wanted to pay it forward. We understand what it means for parents to place their child in the care of another family, and we want to be that safe, trusted home for someone else's child. As billet parents, while they are separated from their family is to provide a safe home, a private room, meals, and everyday support. But just as important is being there for the emotional side of the journey - celebrating the big wins, helping them through the tough losses, and reminding them they are never alone.

Being a billet family is about more than providing a room. It's about opening your home and your heart to a young athlete who is chasing a dream far from home. It's about making sure they feel supported, encouraged, and part of a family while they do it.

## You don't have to be perfect to make a difference.

Billet families simply give what they can give. Sometimes it's a ride to practice or a game. Sometimes it's a home cooked meal after a long day. Sometimes it's just a quiet place to relax, laugh, and feel safe in a family environment. Those moments may seem small, but to a young player far from home, they mean everything.

Don't ever feel like you can't do enough. Hockey is a team, and billet families are a huge part of that team. Every family contributes in their own way, and together those contributions create a community that supports these players both on and off the ice.

# NANCY ISLAND

Wasaga Beach was the scene of a dramatic battle during the War of 1812. The outcome of this battle played an important role in forming our nation and determining the borders of Canada as we know it today.

Nancy Island has operated as a historic site since 1928. The site tells the story of the HMS Nancy's battle against three American ships during the War of 1812. Despite the brave defence of the Nancy by Lt. Worsley, British seaman, Anishinaabe-Ojibwe and French-Canadian voyageurs, her demise took place on August 14, 1814 when she was cornered in the Nottawasaga River by the Americans and destroyed. Over time, sediment accumulated around the sunken hull to form an island. The charred remains of the Nancy now rest in a building on the island named for her.

You can learn more about the valiant struggles of the HMS Nancy and her crew and how following the sinking of the Nancy they mounted a surprise attack to capture two of the American ships. This would avenge the loss of the Nancy, helping to bring the War of 1812.

Visit the Nancy Island Museum and Theatre, across the bridge from the Wasaga Beach Welcome Centre to learn more about these dramatic and daring events. During your visit you can join a heritage costumed staff member and participate in hands-on demonstrations and view a video presentation.

The Welcome Centre provides guests with an opportunity to learn about Wasaga Beach's ecosystems, flora and fauna and history. Staff are on hand to answer questions about the park and local attractions.

# WASAGA ADVENTURE PARK

Located just minutes from Wasaga Beach, Wasaga Adventure Park has been a cornerstone of outdoor adventure in the area for more than three decades. Established in 1992 and relocated to its current home on Vigo Road in 2004, the park has grown into one of Canada's premier action sports destinations. Today it spans over 70 acres of wooded terrain and features more than a dozen immersive, themed battlefields designed to deliver exciting and imaginative gameplay.

Each field offers a unique experience, from the urban-style combat of GI Town to the dramatic landscapes of Crash Site, Tank Attack, and Tippmann Assault Base, creating a variety of environments that keep every game fresh and engaging. The park's carefully designed terrain combines forest, structures, and natural obstacles to provide thrilling scenarios for both beginners and experienced players.

Visitors can take part in a wide range of adrenaline-filled activities including regular and low-impact paintball, airsoft, laser combat, archery tag, axe throwing, and gel blasters, making it a destination with something for nearly every age group and skill level. Rental equipment and instruction are available, allowing first-time players to jump right into the action.

The park is widely recognized in the paintball community and is home to the legendary Wasaga Big Game, an annual large-scale scenario event that draws players from across Canada for an all-day battle across the entire property. In addition to public play, Wasaga Adventure Park hosts birthday parties, bachelor and bachelorette events, corporate team-building outings, youth day camps, and group celebrations, with staff helping to plan memorable experiences tailored to each group.

For events beyond the park, their mobile adventure services can even bring activities like laser combat, archery tag, or a traveling shooting range directly to festivals, corporate gatherings, and private parties.

Whether you're looking for high-energy competition, a unique group outing, or a memorable day outdoors, Wasaga Adventure Park delivers action-packed fun for all ages and remains one of the most exciting attractions in the Wasaga Beach area.
